

European Cockpit Association

*'Piloting
Safety'*

The Voice of European Pilots

The European Voice of

Who are we?

We are the European voice of pilots. We provide operational expertise to EU decision-makers and help shape aviation legislation.

Our mission statement: *“The European Cockpit Association represents the collective interests of its Member Associations at European level, striving for the highest levels of **aviation safety** and fostering **social rights** and **quality employment** for pilots in Europe.”*

European pilots strive for:

- Highest flight safety standards
- Strong EU safety legislation
- Effective safety oversight

We promote:

- Highest training standards for pilots
- Uniform safety rules for air operations
- Independent accident investigations
- Single & safe EU air traffic management
- Effective & targeted security measures
- Safe airport design and operations
